Document classes

Class	Purpose	Access	Approval
Public	Corporate assurance and capability	Open download	Corporate Governance
Business form	Structured enquiry and onboarding	Open download	Relevant business owner
Controlled template	Commercial/legal/technical negotiation	Approved request	Director / legal review
Restricted record	Sensitive operational or regulated information	Need-to-know only	Authorised control owner

Document-control rules

- Every issued document carries a code, version, effective date, owner and classification.
- Only the current controlled master should be relied upon.
- Transaction-specific agreements require completion and approval before signature.
- Defence, aerospace and other controlled information is subject to enhanced screening and may be withheld.
- Official government export-control forms must be used where prescribed; internal forms do not replace them.

Professional template for business use. It does not constitute legal, regulatory, export-control, medical or technical advice. Review and adapt it for the specific transaction and jurisdiction before signature or reliance.
